01 SERVICES WE OFFER

CONTAINER SERVICES

Our Container Services encompass the handling of dry containers, reefer containers and tanks. We provide expert repair, maintenance, and secure storage facilities, all held to rigorous IICL certified standards. Whether it's repair, maintenance, or storage, we ensure your containers are in optimal condition for shipping

We are handling ...

DRY CONTAINERS | REEFER CONTAINERS | TANKS | DOMESTIC CONTAINER LEASING

02 SERVICES WE OFFER

TRANSPORTATION SERVICES

Transportation Services involve the efficient local movement of empty containers within ports and client sites. Our swift and safe relocation minimizes downtime, ensuring that containers are readily available when needed, optimizing your operation

Why ARK ...

Rapid Efficiency | Safe & Secure Transport | Minimal Downtime: Optimal Availability

03 SERVICES WE OFFER

WAREHOUSING SERVICES

Our Warehousing Services offer secure storage solutions for various types of cargo. We maintain strict adherence to international standards and employ comprehensive Standard Operating Procedures (SOPs) to ensure proper handling, organization, and protection of your cargo.

Why ARK ...

Safety Guaranteed | International Standards: Global Compliance | Comprehensive SOPs

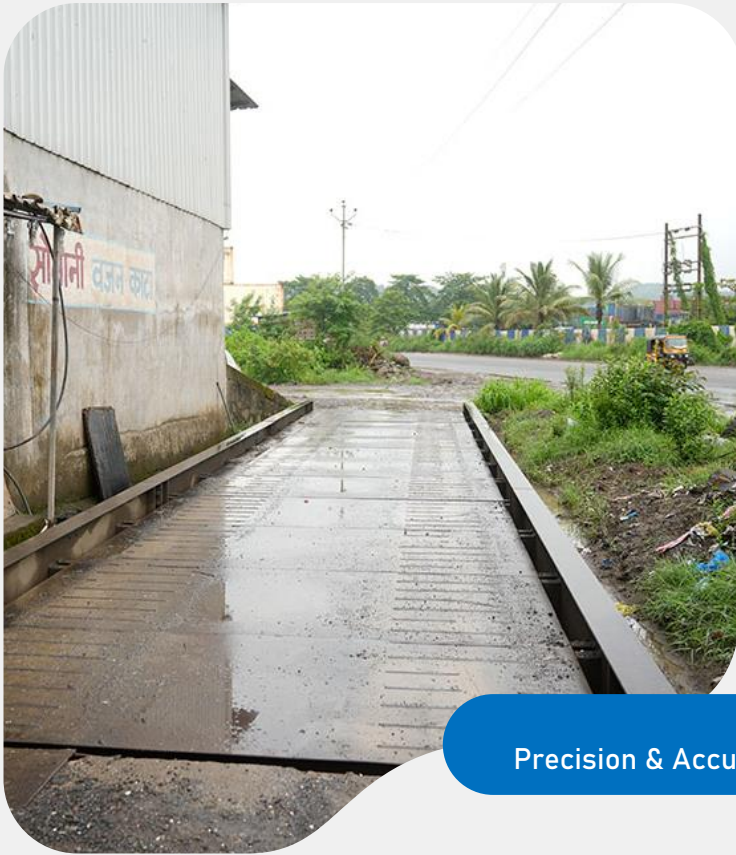

04 SERVICES WE OFFER

WEIGH BRIDGE

Our Weigh Bridge services provide accurate measurement of vehicle weight as per port norms. With meticulous calibration and compliance with industry regulations, we guarantee precision in cargo handling, ensuring compliance and reliability for your shipments.

Why ARK ...

Precision & Accurate Measurement | Meticulous Calibration | Industry Compliance

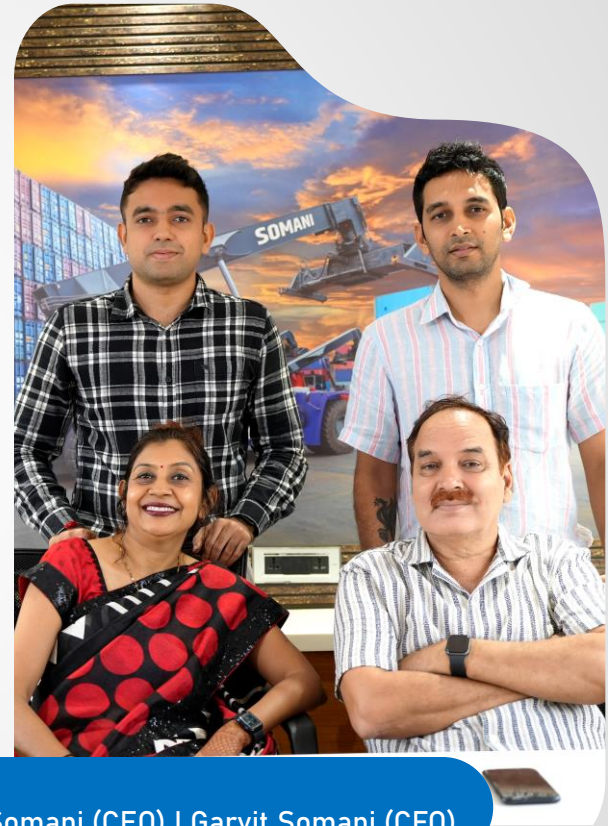

WHY US

ARK Shipping International stands out as a trailblazer in the industry due to our commitment to excellence, innovation, and customer satisfaction. With our strategic location adjacent to T.G Terminals, efficient handling capabilities, and a dedicated team, we ensure the shortest truck turn around timing, minimizing delays and optimizing your shipping operations.

At ARK Shipping International, our primary objective is to provide a seamless and holistic approach to shipping and logistics. We strive to exceed our customers' expectations by offering efficient container storage, impeccable transportation, and reliable warehousing services, all supported by cutting-edge technology and a dedicated team of professionals.

OUR TEAM

At ARK Shipping International, our visionary leaders, with decades of experience in diverse fields, drive us towards excellence and innovation. Their combined expertise in business, engineering and finance fuels our commitment to operational excellence. With meticulous planning, strategic vision, and a customer-centric approach, our team sets new standards in services we offer.

Leadership Team ...
